

Supplementary Material

Figure S2. Number of readers (0-8) who assessed each dermoscopic finding to be present for each of the 100 cases.

Case	Vascular structures				Keratin-related structures		Pigmented structures		Shiny white structures		
	Glomerular vessels	Hairpin vessels	Linear vessels	Hemorrhage	Scales	Keratin rim	Pinkish Brown white area pigmented area	Brown grey dots	Stromal structures	Follicular structures
